This announcement is published pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the inside information provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) by China Suntien Green Energy Corporation Limited (the “**Company**”, together with its subsidiaries, the “**Group**”).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company and potential investors that, according to the preliminary assessment of the consolidated management accounts of the Group for the 12 months ended 31 December 2016, which has not been audited nor reviewed, the net profit attributable to the shareholders of the Company for the 12 months ended 31 December 2016 is expected to increase by more than approximately 190% in comparison with the corresponding period of 2015.

According to the information currently available, the Board considers that the increase in the net profit attributable to the shareholders of the Company is mainly due to the increase in the operating capacity of the wind power stations operated by the Group and the more abundant wind resources in the regions where the wind power stations are located than the corresponding period of last year, which resulted in the increase in the utilization hours of the Group throughout the year.

The information contained in this announcement is only a preliminary assessment based on the consolidated management accounts of the Group for the 12 months ended 31 December 2016, which has not been audited nor reviewed. The detailed financial information of the Group shall be published in the 2016 annual results announcement of the Company for the 12 months ended 31 December 2016, which will be published by the end of March 2017.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.
